**ANNUAL REPORT 2018/2019**

Amongst the greatest of all great services that can be possibly rendered by a man to Almighty God, is the education of children. Education is considered as a basic right for every human being, and it is a life-long process. Educational aims are co-related to an all-inclusive necessity of giving integral formation to students whereby the physical, intellectual, emotional, spiritual, moral and aesthetic aspects of the human personality are developed.

At a school prize giving when we assess the performance of our students, we need to move a step further and ponder on a vital question – What is the ultimate aim of education? And the obvious answer is of course to produce better human beings, and in today's globalized world of technology, science, space exploration, nuclear testing, diverse views on the supremacy of man, with a predominance of 'isms' the role of the educator remains unquestionable.

The home and the school have a vital role to play, and the parents, teachers and students, form a triangular co-ordination, and their inter-connectedness is imperative to the well-being of the students.

Today, I address parents with an earnest appeal to you to take your responsibilities seriously. We cannot deny the most important fact, that parents are the first teachers. The environs of home is the 'primary' educational center. The book of proverbs, Ch.22:6 says: 'Teach a child how he should live and he will remember it all his life'. God gives us wheat, but we must bake the bread. He gives us cotton, but we must convert it into clothing. He gives us children, the greatest gift from God, and what must parents do with them?

The importance is being involved or knowing from where to begin. You must first recognize that the home is the most important one of several areas that simultaneously influences a child. So, you become the central contributors; create a vision, provide the ongoing energy, make an effort to reach a consensus of understanding, and get involved with your children. Parental involvement is the corner stone that conveys values to the lives of your children.

It is a lamentable fact that 40% of children enjoy only one parent, and just 20% two parents, and many more come from broken homes. Some children are left at the mercy of care-takers while their parents are overseas. Children are vulnerable and often become the victims of modern trends in technology which mars and scars them for life. It is a wake-up call to parents to be there for your children. Sit together, eat together, be available. Your children need love, warmth, understanding, and companionship. Avoid conflicts and confrontations. Maintain a harmonious and peaceful environment. Help your children to develop a healthy sense of self-esteem.

Parents are the children's strongest role models, and they exert the greatest influence. You are the heroes of your children. When you are not with them, they look for other role models who would be detrimental to their well-being. Etiquette and good values cannot be 'bought', but in reality 'caught'. Children are very good imitators and imitate those nearest to them in space and time. Who then, but parents are the closest. So parents have a role to play as role models. Build a deep sustaining confidence, then motivate and inspire them. Today, in spite of 'instant food', parents find no time for their children. You have to live twenty four hours of daily time. You need to spin health, happiness, respect, contentment and many values together. Only then, will you be involved in the evolution of the immortal souls of your children. Shift your emphasis from problems to challenges. A parent's role is a noble and sacred one. The book of *Sirach* Chapter 19:8 reads "Discipline your children, while they are young enough to learn. If you don't, you are helping them to destroy themselves."

Research demonstrates that parental involvement significantly contributes to improved student outcome, create a home environment that fosters learning, and provides support and encouragement for your children's success. Consistently check on their homework. The mother is a crucial resource in the physical, psychological, as well as social development of a child. The father is responsible for the functional development of the house-hold; together parents should take your tasks seriously. Let there be compatibility between rules and regulations, norms and values; culture, tradition and society.

Thomas Alva Edison was sent home by his teacher as a 'good for nothing'. But his mother provided him with a home environment that enabled him, literally to bring "light to the world". Moreover, he is credited with a 1000

other inventions or more. This illustrates the importance of the home and parents in the life of a child.

So parents, it is time for you to realize the importance of inculcating your children with noble humane values, empathy, responsibility, and to make right choices, and also to educate them.

The parent, teacher, student, togetherness is a triangular co-ordination. If this is fulfilled, the purpose of education will be achieved, and the ultimate aim of education to produce better human beings will be realized.

Parents have a deep and abiding faith. Indulge in great thoughts and provide lifelong courage and confidence to your children. Consider such individual concerns as how to banish fear, the art of thankfulness, the power of prayer, and how to find real happiness. Above all, activate the minds of your children creatively, as an instrument to deepen spiritual life as a treasury of faith. Then the purpose of education will be fulfilled, ushering a world order of peace and prosperity.

## **Co-Curricular Activities**

### **Languages Day – English/French**

A preparatory programme titled ‘Love of a Language’ was introduced at the beginning of the academic year to help our students to develop their language skills. Under this programme students were encouraged to submit compositions, stories, poems, drawings and cartoons on various topics in English as well as in French. They were also asked to prepare on their own short dramas to be presented on the Language Day. The Grand Celebration of the Language Day took place on 25<sup>th</sup> January, 2019 with Dr. Alan Robertson the Dean of Nawaloka College of Higher Studies gracing the occasion as the Chief Guest. The programme included a mix of dance recitals, speeches, poems, duets, dramas and musical performances in English and in French. The Shakespeare Drama ‘Macbeth’ added more colour to the event.

I thank the Teacher concerned Ms. Rita Dassanayake for the pains taken to develop the language skills of our students.

### **Extra-Curricular Activities**

#### **Junior Choir**

The vocal talents of Junior Nicholites are primed from an early age under the guidance of a qualified music teacher. They displayed their talents at the Junior School Concert on 8<sup>th</sup> December, 2018 which was graced by Episcopal Vicar Very Rev. Fr. Joseph Patrick Perera as Chief Guest, and at the Christmas Carols on 9<sup>th</sup> December, 2018. Their performances won the admiration of the distinguished guests and of the parents. I sincerely thank the Music Teacher Ms. Manjula Peiris for the timeless efforts made to develop young Nicholites’ vocal skills.

## **Senior Choir**

The Senior Choir of the college is trained by one of our own Music Teachers with regular practices and they have evolved in to a very harmonic choir. They add their vocal harmony at all important functions of the college, very especially at the religious events of the college such as the First Holy Communion, Holy Confirmation Service, College Day, Feast of Blessed Mother Mary, Annual Prize Giving and the Annual Christmas Carols Service. I am grateful to our Music Teacher Mr. Randika Perera, for the time spared to attain perfection in harmony.

## **Junior Band**

As we all know training a junior band is a challenge, but yet our music teacher has succeeded in forming a very successful band. They aptly displayed their talents and skills by leading the way at the welcome of the Chief Guest to the Junior School Sports Meet on 12<sup>th</sup> January, 2019. I admire the devotion and commitment of Teacher in Charge Ms. Manjula Peiris assisted by Ms. Ramosha Kumarasena to fine tune the young Nicholites.

## **Senior College Band**

The Senior College Band has made vast strides under the supervision and guidance of two Band Masters from the Sri Lanka Air Force. Our band takes the forefront in all special events and programmes by leading the way, very especially when Chief Guests and other Distinguished Guests are conducted to the respective venues with pomp and majesty. A few such events were the Swimming Meet, Annual Prize Giving, Christmas Carols Service, Sports Meet, Students' First Holy Communion and the Welcome of New Rector. I really appreciate the commitment of the Teacher in Charge Ms. Rochelle Perera and the concerns of Band Masters Mr. Akmeemana and Mr. Ranaweera to unravel the musical talents of our students.

## Prefects' Association

The Prefects of the college extend their valuable support to maintain discipline and good order in the school. They also play prominent roles at our school's Special Events like the Annual Prize Giving, School Concert, Sports Meet, Sinhala New Year Celebrations, the First Holy Communion and the Farewell and Welcome of the college's Rectors. The investiture of Prefects for the Academic Year 2019/2020 took place on 11<sup>th</sup> April, 2019. To fine tune their leadership skills they were sent for a Leadership Programme conducted by 3WGE (3w Global Education) in March, 2019 and also to an outbound programme at 'Subodhi' Peliyandala, from 27<sup>th</sup> to 29<sup>th</sup> August, 2019. I am grateful to the Teachers in Charge Mr. Randika Perera and Ms. Aloma Mallawarachchi for giving appropriate guidance to the Prefects, and to the Prefects, for the faithful services rendered by them to the college.

## Girl Guides

Our Girl Guides, the 92<sup>nd</sup> Negombo, took part in a number of programmes organized by the Girl Guides Association of Sri Lanka including Sinhala Avurudu Celebrations in the Negombo Education Zone and the Annual General Meeting held at Laya Beach Resort Wadduwa. Our Girl Guide Diana Perera received the President's Award, the highest recognition that a girl guide can receive, at their Annual Awards Ceremony. Our Girl Guide Captain Mrs. Wimali Hettiarachchi had the honour of being appointed as the Provincial Supervisor for a humanitarian project carried out by Girl Guides in collaboration with the Colombo Plan Secretariat. Whilst thanking our teacher Ms. Wimali Hettiarachchi for her dedication, I believe the door is open for more of our students to join and benefit as Girl Guides.

## Interact Club

An Interact Club, the junior arm of Rotary International was inaugurated in the college on 27<sup>th</sup> February, 2019 with the blessings of Rev. Fr. Anselm Shiran (Rector). As Interact Members our students stand to benefit immensely, as Rotarians will come in to help our students to develop very especially in the areas of leadership skills, ethnic harmony, respect to the dignity of occupations, and concerns of the community and the world. I thank Mrs. Rita Dassanayake for initiating the introduction of Interact Club to our college.

## Media Unit

The Media Unit of the college which is gradually developing in to a well-knit unit was at hand with video and photo coverage at every important event in the college, including the Avurudu Festival, Farewell to outgoing Father Rector Rev. Fr. Anselm Shiran, and Welcome of the New Rector. They even produced a 20 minutes Video Clip on outgoing Rector Rev. Fr. Anselm Shiran for screening at his fair-well. Whilst thanking the Teacher in Charge Mr. Jude Kathurusinghe for giving the right leadership, I presume they will attain the required standards of perfection to cover every event of the college without outside assistance in the very near future.

## Athletics

Our students took part in a number of athletic events including the sports meet of International Schools in Sri Lanka, where one of our students won the First Place in the Discus Throw in the Under 16 Category. I am thankful to Coach Mr. Augustine Appuhamy and Physical Training Instructor Ms. Nishanthi Gunasekera for their contribution towards development of athletics, but we are yet to hit a winning streak in track events.

## Basketball

The college's Basketball Team took part in the *Magis Peace & Reconciliation Trophy Interschool Basketball Tournament 2018* in the Under 16 Category in October 2018 thus gaining valuable exposure at these competitions. With the departure of Mr. Basil from the position of Coach, our Teacher Mr. Asanga Perera stepped in to coach our Team. I am confident that Mr. Asanga Perera and the Teacher in Charge Ms.

I would like to thank Mr. Sumith Ranasinghe, the coach and the Teacher in Charge Ms. Ayomi Hettiarachchi for helping our swimmers to achieve these positions.

### **Conclusion**

First and foremost, I thank God Almighty for leading and guiding me with divine providence; Blessed Mother Mary for her prayerful intervention, and St. Nicholas, the Patron Saint of our College for his mediation, giving me the strength and courage to lead and guide the destiny of the college with wisdom in the right direction.

I shall also express my gratitude to His Eminence Malcolm Cardinal Ranjith, the Archbishop of Colombo for the opportunity given to serve as Rector of St. Nicholas, and for his providential guidance; and to Manager of Private Catholic Schools, V. Rev. Fr. Ivan Perera for his unfailing support and assistance in the administration of the college.

May I also convey my sincere gratitude to Dr. Nalin Abeyskera, Professor in Management in the Department of Management Studies at the Open University of Sri Lanka, Nawala, for the magnanimity shown by accepting our invitation to grace our Annual Awards Ceremony as the Chief Guest.

I would also like to place on record my grateful thanks to Rev. Fr. Anselm Shiran, who was at the helm as Rector up to 2<sup>nd</sup> July, 2019, the Principal of Junior College Rev. Fr. Shanaka Mendis, Vice Principals Mr. Lakmina Wijethunga and Mrs. Sriyani Weerawardene, and the Academic Staff for their invaluable contributions towards the academic success of the college.

I shall not forget the Administrative Staff comprising of the Finance, Examination, Human Resources, Information Technology, and Maintenance Divisions, and the Librarian, whose silent services is not seen or heard much, but yet they make a tremendous contribution towards the progress and welfare of the college.

I also want to give my due recognition to another set of employees and that is the auxiliary and support staff whose laborious manual contributions help not only in the upkeep of the premises but also to keep the cogs of logistics moving, thus helping the college to maintain a clean and pleasing environment. So to all these three vital segments I would like to express my grateful sentiments at this juncture.

I shall also take this opportunity to congratulate the prize winners for their admirable accomplishments, whilst I want to leave a message for the others also not to lose heart, but to strive hard for success next time. Finally my sincere appreciation and admiration goes to the distinguished guests, parents, past pupils and well-wishers for their gracious presence, and the donors and sponsors for their generous support, which ensured the glorious success of our Year 2019 award ceremony.

Thank You and May God Bless You.

**Fr. Anthony Lakshman,**  
Rector

## WE NEED MORE .....

We need more love,	to supersede hatred,
We need more strength,	to resist our weaknesses,
We need more inspiration,	to lighten up our inner mind.
We need more learning,	to erase our ignorance,
We need more wisdom,	to live longer and happier,
We need more truths,	to suppress deceptions,
We need more health,	to enjoy our wealth,
We need more peace,	to stay in harmony with our brethren
We need more smiles,	to brighten up our day,
We need more sympathy	not apathy,
We need more forgiveness,	not vengeance,
We need more humility	to be lifted up,
We need more patience	and not undue eagerness,
We need more focus,	to avoid distraction,
We need more optimism,	not pessimism
We need more justice,	not injustice,
We need more changes	to change the lives of others,
We need more understanding,	to tackle our misunderstanding,

# **LIFE IS A CHALLENGE FACE IT**

**GOD HAS BESTOWED ON EVERY INDIVIDUAL  
TREMENDOUS CAPABILITIES TO TRANSCEND SUCH AN  
UNIMAGINABLE HEIGHT.**

**LEAVE THE COMFORTABLE BRANCHES OF LAZINESS,  
FEAR & DOUBT, FREE YOURSELF TO ENJOY THE GLORY  
OF FLIGHT.**

**You must not let your life run in the ordinary way: Do  
Something that nobody else has done, something that will  
dazzle the world. Show that God's creative principle  
works in you .You are unique.**
